

REMARKS

Claims 1-9, 13, 18, and 30-44 are pending in the application. Claims 30, 38, 43, and 44 are amended from the previous versions. Claims 1-9, 13, and 33-37 are allowed, and claim 32 is allowable.

This pending application is a reissue continuation of 09/776,394, which is a reissue application of U.S. Patent No. 5,865,846.

Notice of Non-Compliant Amendment

This paper responds to the Notice of Non-Compliant Amendment dated September 7, 2007. The Notice indicated that the claims had not been placed in numerical order and indicated that previously presented claims should not be underlined and should be listed in order.

In response, as a part of this paper, Applicants submit a revised Amendment section. The revised Amendment section identifies each cancelled claim in numerical order. This is the only change to the Amendment section.

In a telephone discussion with Examiner Stewart on September 17, 2007, the Examiner indicated that the previously presented claims were properly underlined as required in a reissue application. Accordingly, the underlining is unchanged. Accordingly, Applicants respectfully submit that this paper complies with the requirements for an Amendment in a reissue application and respectfully requests entry of this paper.

This paper corrects the Amendment section of the paper filed September 5, 2007. Applicants respectfully refer the Examiner to the paper of September 5, 2007 for all remarks and accompanying documents.

Conclusion

As a result of the foregoing, it is respectfully asserted that pending claims 1-9, 13, 18, and 30-44 are in condition for allowance.

If the Examiner believes a telephone conversation would be useful for advancing prosecution of this application, he is invited to telephone the undersigned at 972-739-6969.

No fees, including extension of time fees, are believed necessary for consideration of the present paper. If any fees, including claim fees and extension of time fees, are necessary for the proper submission of this paper, the extension of time is hereby requested, and the Commissioner is hereby authorized to charge any fees, including claim fees and those for the extension of time, to Haynes and Boone, LLP's Deposit Account No. 08-1394.

Respectfully submitted,

Dustin T. Johnson
